

CPR & First Aid – Training Request Form

The Oregon Home Care Commission will pay the cost of Adult CPR & First Aid training for eligible homecare workers.

To be eligible, homecare workers must have:

- an active provider number
- authorized (and paid) provider hours in any one of three full calendar months prior to the request for CPR & first aid training
- completed a minimum of two Oregon Home Care Commission sponsored training classes (excluding the following: Homecare Worker Orientation, Registry, and MoneyWise training classes)
- attended two additional classes if OHCC previously paid for CPR training

Once eligibility has been determined, homecare workers will be provided with American Red Cross chapter & course information. Prior approval must be received from the Home Care Commission before signing up for a class.

(Please **print** your information below.)
